Sneak Peek

ABMS CONSULTING SDN. BHD. is a start-up consulting company, established in Subang Jaya, Malaysia and is engaged in providing Governance, Risk Management, Compliance and Information Technology Data Solutions to clients.

Formed with Malaysian Partner with a vision to create a “Bribery-free” and “Corruption-less” business environment using Data Driven Insights.

It adopts its trademark “**Educate, Engage, Enlighten**” approach and partners with its clients to promote Ethical and Principled Corporate Governance.

It supports United Nations “Transforming Our World: The 2030 Agenda for Sustainable Development”, through its flagship ISO 37001 Anti-Bribery Management Systems- training and certification programs.

It has also partnered with Professional Evaluations Certification Board (PECB) Canada in providing ISO certification training programs in Malaysia and Asia Pacific countries.

Ashok Sarangapani is managing partner, one the very few ISO 37001 (Anti Bribery Management Systems) certified professional in the global arena. ABMS Consulting is supported by quality work force, with rich domain expertise in pursuit of their goals.
